

Customer Education Webinar: Pluralsight Learner Essentials

Thursday, April 23, 2026 | 11–11:50 AM ET | 4–4:50 PM GMT

Level up your tech skills with Pluralsight

By granting you access to Pluralsight, your organization has invested in your growth—and in this Learner Essentials session, you'll understand how to use that access to advance your career, stay ahead of emerging tech, and harness your full potential. We'll show you how to navigate your learning experience and provide you with the foundational knowledge of the features, content, and tools available to you as a Pluralsight learner.

By the end of this session, you'll know how to leverage Pluralsight to:

- **Know where your skills stand**—and where you should start focusing your learning.
- **Find content relevant to you and your goals**, including courses, hands-on labs, and learning paths.
- **Build time for learning** into your workflow, with tips on forming habits and learning efficiently.
- **Prove your value** and demonstrate your readiness to move forward in your career.
