

What's the difference between team plans and individual subscriptions?

Tags: **Skills**

Pluralsight offers Skills subscriptions for individual users and team plans for organizations. This article will help you choose which is best for your needs.

	Who can use this?				
	<u>Stnd</u>	<u>Prem</u>	<u>Strt</u>	<u>Pro</u>	<u>Ent</u>
<u>Learners:</u>	✓	✓	✓	✓	✓
<u>Managers:</u>			✓	✓	✓
<u>Admins:</u>			✓	✓	✓

Individual subscriptions

Individual subscriptions are designed for those working to skill up on their own. Pluralsight Skills offers two individual subscription levels: Standard and Premium.

Standard individual subscriptions

Learners on standard subscriptions have access to:

- Content types:
 - Video courses from the core library
 - Conferences
 - Guides
- Certification:
 - Certification paths
 - Exam preparation
 - Certificates of completion
- Learning tools:
 - Channels
 - Paths

- Skill IQ
- Role IQ
- Apps and offline viewing

Premium individual subscriptions

Learners on premium subscriptions have access to everything on standard subscriptions, plus:

- Content types:
 - Video courses from the expanded library
 - Interactive courses
 - Projects
- Certification:
 - Certification practice exams

See [Skills subscription and plan comparison](#) for more details.

Team plans

Team plans are designed for organizations working to skill up multiple users. You can choose the plan that includes the team management and analytics tools you need to help your teams achieve their strategic goals. Plan add-ons allow you to further customize your plan according to your unique needs.

Benefits available to all team plans include:

- Organizing learners into teams
- Creating company-wide channels to align learning
- Gaining growth insights through analytics
- Managing billing

Additional benefits available depending on your plan include:

- Curating structured learning through priorities
- Purchasing licenses for premium hands-on learning modalities
- Purchasing exam vouchers for select certifications
- Customizing roles
- Utilizing professional services:
 - API access
 - Onboarding
 - Single sign-on (SSO)

- Skills strategy plans

See [Skills subscription and plan comparison](#) for more details.
