Do I still get access after I cancel?

If you cancel a paid Pluralsight Skills subscription, you'll still have access to courses until your subscription's expiration date. Your subscription will **not renew** and you won't be charged again unless you resubscribe. For

example, if your account expires on the 30th and you cancel your account on the 15th, you'll still have access to courses until the 30th.

Can I still log in after my access to courses ends?
