<u>Admins:</u>			✓	✓	✓

Pluralsight offers a variety of learning formats, including [video courses](#), [labs](#), and [hands-on labs](#). Curation tools — including [Learning Paths](#), [Skill IQ](#), and [Role IQ](#) — help you organize the learning journey. Tools like [Skill IQ](#) and [Role IQ](#) help you measure your progress and point you to content that will strengthen any skill gaps.

Our content is designed to keep you and your team up-to-date on all the current technologies and frameworks you need. Visit our [Technology index \(opens in new tab\)](#) to stay informed about in-demand technologies, languages, and skills.

If you need help, please email support@pluralsight.com for 24/7 assistance.
