Switching to a monthly or annual subscription

1. Click your avatar in the top right corner and then click **Account settings**.
2. Click the **Subscription & Billing** tab.
3. Click **Manage plan**.
4. Click **Change**.
5. Select your payment method or add a new payment method.
6. Click **Confirm**.

Tip: This will not cancel your current subscription. You are essentially setting the **subscription type for your renewal**.

For example, if you have an annual subscription set to expire May 15th, changing to a monthly subscription means you'll **finish** your annual subscription and be charged for the monthly subscription on May 15th, and your new expiration date will be June 15th.

To learn how to cancel your subscription, please see [Canceling an individual subscription](#).

Upgrading your Standard subscription to Premium

If you'd like to upgrade to Premium, you can upgrade from within Skills. This upgrades your access level instantly, and if you've paid for a monthly or annual individual subscription, you'll see a one-time, prorated discount. Please note that this upgrade is **non-refundable**.

1. Click your avatar in the top right corner and then click **Account settings**.
2. Click the **Subscription & Billing** tab.
3. Click **Manage plan**.
4. Click **Upgrade**.
5. Select your payment method or add a new payment method.
6. Click **Confirm**.

Tip: If you've already paid for an annual subscription that's still active, the day you upgrade is your new renewal date. Your Premium subscription will be prorated for the amount that you paid for the regular annual subscription.

Downgrading your Premium subscription to Standard

You can downgrade a Premium subscription to Standard, but you won't receive a refund for the remainder of your current subscription period.

To downgrade, [cancel your subscription](#) so it doesn't automatically renew. You'll have access to Premium for the remainder of your subscription period. Then, at the end of your subscription period, resubscribe as a Standard monthly or annual Skills subscriber.

If you subscribed through a third party, see instructions on managing a Skills subscription you purchased through [Apple](#) or [Google](#).

If you need help, please contact [Pluralsight Support](#).
