Guides

Guides are short, solution-focused articles created by our expert community on a wide variety of technologies. You can find reliable technical information to help you in your time of need.

Finding guides

You can find guides from the Browse menu.

1. Click **Browse**.
2. Click **Ways to learn**.
3. Click **Guides**.

You can also find guides from search results by selecting **Guides** from the available content types.
Adding guides to a channel

Please see Adding content to your channel for instructions on adding guides to channels.

If you need help, please email support@pluralsight.com for 24/7 assistance.
