

What is Skills?

Pluralsight Skills is the **technology skills platform** that allows you to measure and evolve the skills you need now. You'll discover which skills you need to succeed, where your skill gaps exist, and what you need to work on to reach role mastery.

Pluralsight's authors are subject-matter experts and industry thought leaders in fields such as cloud, security, IT ops, data, mobile, and more. Their expertise drives a robust and ever-growing library of skill assessments, video courses, interactive courses, cloud labs, and hands-on projects to help you skill up in the technologies that matter to you—and your career.
