## Conferences

Conferences are video courses, available in Pluralsight Skills for a limited time. Feedback and insights from Conferences will inform the future of Pluralsight's learner experience.

By exploring Conferences on Pluralsight, you'll get access to recordings of some of today's most in-demand tech conferences.

Conferences may include keynotes, breakout sessions, panels, and more available in the Pluralsight platform as video courses that live within a designated Conference path. [Click here to see all available conferences.](#) ()

## Host your conference or virtual event

Additionally, in an effort to assist technology-focused conferences as more in-person events are cancelled or postponed, Pluralsight is opening the Skills platform to provide a place for virtual conferences to be hosted, free of charge for a limited time. If you're interested in hosting your tech conference on our platform, take a look at the guidelines [here](https://dyzz9obi78pm5.cloudfront.net/app/image/id/5e701e706e121c4f53f04581/n/hosting-your-conference-on-pluralsight.pdf) (<https://dyzz9obi78pm5.cloudfront.net/app/image/id/5e701e706e121c4f53f04581/n/hosting-your-conference-on-pluralsight.pdf>). Be sure to contact our conferences team at [conferences@pluralsight.com](mailto:conferences@pluralsight.com) ().

**Note:** Because of the timely nature and relevance of this content, each conference path may be retired or unavailable after 18-24 months.
