

Bookmarks

How do I bookmark?

Bookmarks can be used to save courses, modules, and clips that you would like to view later or use as a reference.

<u>Managers:</u>				
<u>Admins:</u>				

To bookmark a course

1. Go to the course details page of a course you'd like to bookmark.
2. Click on the **Bookmark** icon (example below).
3. The icon will turn solid, indicating the course is bookmarked.

To bookmark a module or clip

1. Go to the course details page of a course you'd like to bookmark. Then, click the down arrow icons for each module to the right of the table of contents, to show the clips within a module.
2. On the right-hand side, click the **Bookmark** icon (example below).
3. The icon will turn solid, indicating the clip or module is bookmarked.
