

## Accepting a team manager invitation via SSO

Tags: **Skills**

When you're invited to be a team manager on a single sign-on (SSO)-enabled team plan, you'll have to accept the invitation with SSO to successfully access Pluralsight Skills through your organization. If you already have a Skills account, accepting the invite will look slightly different than it would for a brand new Skills user.

2. Click **Get started** in the email.
3. On the account creation page that appears, click **Sign in** under **Already have an account?**
4. On the login page, click **Sign in with company or school**.
5. Enter your organization's URL. This will usually look something like **organizationname.com**. Then click **Sign in**.

**Note:** If you're not logged in to your SSO provider, you will be redirected to your provider to finalize login.
