Admin success center: Skills

Plan admins and team managers have a new resource to help them get started with Skills, get new team members up and running, and ensure that they're getting the most of their Skills plan.

The [Admin success center: Skills](#) helps prepare you to roll out Skills to your team, and then walks you through inviting learners, building your teams, organizing content, understanding your teams' growth, and encouraging your team. It contains dozens of how-to links, step-by-step videos, editable email templates, and printable poster downloads to help you set your team up to succeed.

If you need help, please email support@pluralsight.com for 24/7 assistance.
