

## Flow release: April 22, 2021

---

Tags: [Flow](#)

### Features and major changes

- Now you can automatically merge users if they have aliases whose sign in email addresses or user email addresses match, even if the usernames do not match. Learn more about [merging users](#). Automerging is Option 3.

### Resolved issues

- Unreviewed PR metrics not matching in the Review collaboration and Submit fundamentals reports.
- Unable to sort by **Configuration Status** on the Integrations page.
