

Can I get an extension on my free trial?

Tags: **ACG**

Our 7-day free trial gives you a taste of A Cloud Guru Memberships and time to evaluate if it's right for you. While we don't offer extensions for the 7-day free trial, we recommend joining our monthly membership to evaluate whether our training content suits your needs. Check out this article on [how to change your membership](#).

Joining the monthly membership gives you full access to every course on our website as well as members-only content. This allows you to further test the benefits of our membership. If you find that ACG is not the right fit for you, you can cancel at anytime by [downgrading to a free plan](#).

If you need help, please email [Pluralsight Support \(opens email form\)](#) for 24/7 assistance.
