

## When will I be billed for my membership?

---

Tags: **ACC**

At the end of your 7-day free trial, our system will automatically charge your payment method for the membership plan you selected at the time of enrollment. If you have already used your trial, and are re-signing up, then you will be charged immediately.

During your membership enrollment, our website will automatically calculate when your payment method will be charged. Be sure to make a note of when your free trial expires as our system will not send a reminder email to your account.
