

Learning scheduler

Tags: **ACC**

Create your own schedule and stay on track with your learning goals using the Learning Scheduler.

Getting started

1. Go to the course dashboard for the course you'd like to complete. You'll find the Learning Scheduler on the right side of the Course Dashboard.

2. Enter the amount of hours you would like to complete in a week.

NEW

Learning Scheduler

Tell us how many hours per week you can study.

4

=

14 Jun.

HRS PER WEEK

COMPLETION DATE

Schedule this course

3. Schedule that course!
4. A pop up will appear to let you confirm the amount of time you'd like to commit during the week for each day.

Note: The scheduler works best in increments of 0.5.

Let's schedule it

One last thing, how many **hours** can you study per day?

| SUN | MON | TUE | WED | THU | FRI | SAT |
|-----|-----|-----|-----|-----|-----|-----|
| 1 | 0.5 | 0.5 | 0.5 | 0.5 | 0.5 | 0.5 |

Total of 4 hours allocated

Completed by 10 May 2021

Create schedule

Tip: Modify the amount of time you'd like to study for each day to create a schedule that works best for you!

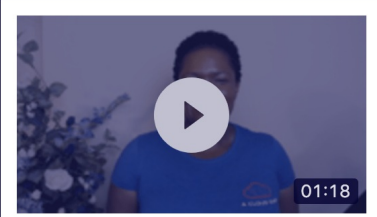

5. Create schedule! You're now set to learn at your pace.

How does it work?

Each day you'll be given a set amount of course content to view corresponding to the amount of time you've allotted for that day. Helping you stay on track towards your goal!

An Important Note About A Cloud Guru and Linux Academy Courses
CHAPTER 1.1

Can I change the schedule?

Absolutely! Select **Edit Schedule**.

You're on track
Estimated completion 03 May 2021

Edit Schedule ▼

- Edit availability
- Cancel this schedule

To modify your weekly schedule, select **Edit Availability**. From there, reassign the amount of hours you can work for each weekday.

To modify the amount of hours you'd like to do in a week or the date you'd like to complete the course by, select **Cancel this schedule**. After that, you can create a new course schedule.

Can I pause the Learning schedule?

While you can't pause the course schedule, you can cancel the schedule. When you're ready to start the course again, you can always create a new course schedule and continue from where you left off!
