

## Google Cloud Platform exam logistics

---

Tags: **ACG**

Before the exam:

- Get to the testing center early
- Bring 2 forms of ID
- Bring the exam code you were provided during the booking.
- Make sure your pockets are empty

During the exam:

- You are allowed to go to the toilet during the exam. However, keep in mind you won't get extra time.
- Pens, pencils and paper are not allowed in the testing room
- There is a count down timer in the screen that you can use to manage your time
- Make sure to flag questions for later review
- You can change any of your responses until your time is over
- For multiple response questions, keep in mind that you need to choose the right number of answers to be able to move forwards or backwards.
