

## Azure free account

Tags: **ACC**

**Note:** please see Microsoft Azure's [free tier website \(opens in new tab\)](#) for the most up to date offerings

According to the Azure website, here is the offerings they provide for *new customers*.

- 12 months of popular free services
- \$200 in Azure credits to be used within the first 30 days of sign-up
- 25+ services that are always free

Azure requires a credit card or debit card to authenticate you when you sign up, unless previously approved for invoice.

To find out more information, visit Microsoft Azure's [FAQ \(opens in new tab\)](#) page.
