

How long will my membership last?

Tags: **ACG**

Types of Memberships

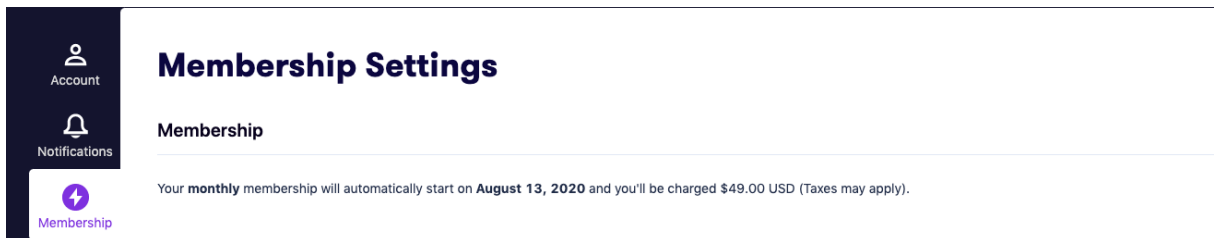

There are two available options when choosing your membership — monthly and annual. This means you'll be charged on the same day of each month or the same day of each year. To provide you with a seamless training experience, your A Cloud Guru membership will continue to auto-renew unless you [downgrade to a free plan](#).

As long as your payment method is up to date, you won't need to manually renew your membership.

Finding your renewal date

You can easily check your next billing date by following the steps below.

1. Click **your avatar** in the top right corner.
2. Click **Account Settings** from the dropdown menu.
3. Click **Membership** from the left navigation panel to display your membership status and next bill date.

4. The image above shows that this account wouldn't be billed until August 13, 2020.

Note: If you downgrade to a free plan, you'll still have access until your next bill date.

Happy learning.
