

## ACG support hours

---

Tags: [ACG](#)

We value giving our team work life balance, which means we do have limited availability. Be ready to get the best support you've ever received during our business hours though!

### Normal operating hours

MON-FRI 8AM-5PM CT

### What services does your team support?

Our Support team services all technical issues and can assist with anything ranging from login assistance or billing concerns to site navigation issues that may require advanced troubleshooting.

### How can I contact support?

You can contact Support by [contacting our support team](#).

---

If you need help, please email [Pluralsight Support \(opens email form\)](#) for 24/7 assistance.
