

Admin success center: Tech Foundations

Get started

Lay the groundwork

Plan for success, prepare your team, and address technical requirements to ensure a smooth launch.

Invite your learners

Educate and organize your teams, set your team managers, and invite your learners to the Skills platform.

Drive learning and growth

Leverage analytics

Learn how to monitor growth and make sure your team's on track.

Encourage learning

Foster a culture of learning, recognize your top learners, and give those who need it an extra nudge.

If you need help, please contact [Pluralsight Support](#).
